

ABOUT OUR ADJUDICATORS

MR. JIM HOWARD teaches at Mohawk College (Hamilton, Ontario) where he is responsible for the jazz curriculum. His book *Improvising and Arranging: Tonal Chord Scales* is available throughout North America. He has taught at Berklee College of Music in Boston, one of the premiere jazz schools in North America. Mr. Howard has directed a number of well-known jazz groups, among them the Niagara College Jazz Band, The Soko Jazz Band, The Mohawk College Jazz Band, the McMaster University Jazz Band, the Thursday Night Dues Band, and the Super Band. Mr. Howard is National Coordinator of the Canadian Stage Band Festival.

MR. PATRICK SULLIVAN has achieved wide acclaim as a composer, adjudicator, and jazz musician in recent years. He has studied composition with Gordon Delamont, guitar with Jim Hall, and Broadway Musical Techniques with Lehman Engel. Pat's compositions, which include both "legit" and jazz works have received critical acclaim. He has twice won the Ron Collier Composition Award and the Rob McConnell Arranging Scholarship. His collaboration with Mr. Howard both at Mohawk and elsewhere has resulted in two exciting jazz albums by the Jim Howard/Pat Sullivan Jazz Orchestra: *No Compromise*, and *Stairway Down to the Stars*.

ABOUT THE FESTIVAL

As you observe our adjudicators working with each group you will gain valuable insight into the ways one listens to jazz, rehearses the jazz group, interprets different styles, plays various instruments, and much more. This format is quite intentional. The highest priority of the Brandon Stage Band Festival is learning — by students, directors, and the general public. We feel that jazz has vast untapped potential for music education and fulfillment, and hope that our festival can make some contribution to helping participants discover more of that potential.

Since some of the best learning occurs in a relaxed and friendly atmosphere, we have tried to keep things casual, easy-going, and non-competitive. You can help us achieve this goal by lending each group your enthusiastic support.

Our participants do not compete among themselves for honours. We have no winners or losers. We may extend invitations to the National Festival to bands our adjudicators feel are of "national calibre", but participants compete against that standard, not with each other. We will be honouring the outstanding junior high and senior high soloist of the festival, since soloing is a crucial component of jazz.

THE CANADIAN STAGE BAND FESTIVAL

The Canadian Stage Band Festival was established twelve years ago as a non-profit charitable corporation whose purpose is to stimulate jazz education throughout Canada. It relies very extensively on the volunteer efforts of regional coordinators and festivals, and culminates each year in a National Festival (this year in Toronto, May 17-21). Activity on the "grassroots" level has been remarkable: this year some twenty thousand young Canadians will participate in regional festivals of all sizes and descriptions.
